This presentation discussed technology available to teens today and the way in which child predators use it to exploit them. Niko, Deputy Fleming’s Electronic Storage Detection (ESD) K9, was on hand for some amazing demonstrations!

The event was held in the Dunbarton Elementary School Library. Thanks to the Dunbarton Elementary Parent-Teacher Organization, onsite childcare was provided.

LAW ENFORCEMENT AGAINST DRUGS & VIOLENCE

“On the Street and in the Classroom”

The **Law Enforcement Against Drugs’ Too Good for Drugs** program has returned to the Dunbarton Elementary School for the third school year in a row!

This 10-week program is taught to the entire 6th grade class and promotes effective decision making skills, goal setting, and positive relationships. To learn more

about the program and its implementation in Dunbarton, please visit this [link](#).

Lessons started in January, 2024 and included:

Lesson 1 – Setting Reachable Goals

Lesson 2 – Making Responsible Decisions

Lesson 3 – Identifying and Managing Emotions

Sergeant Brian Tyler is a **Child Passenger Safety (CPS) Technician**. As a CPS Technician, Sergeant Tyler can inspect child safety seats to ensure that they are properly and safely installed to the manufacturers’ specifications. To arrange for a free inspection and/or installation, please e-mail Sergeant Tyler at btyler@gsinet.net. To learn more about the CPS program, please visit this [link](#). We have also partnered with the Children’s Hospital at Dartmouth (CHaD) and have a **limited supply of free child safety seats** for those in the community that may need them. Please e-mail Sergeant Tyler for more information.

The Dunbarton Police Department is proud to offer **vacant property checks**. Whether you're going away for the weekend or several weeks, we'd be glad to keep an eye on your house to give you some peace of mind. To learn more and access the request form, please visit this [link](#).

The Dunbarton Police Department is pleased to offer a new community policing program: **Project Good Morning!** Project Good Morning is a program designed to assist community residents who do not have regular daily contact with relatives, friends or neighbors. The program allows for residents to make scheduled contact with the Dunbarton Police Department to ensure that they are OK, and further allowing for their independence and ability to stay in their homes. This program allows family, friends and neighbors the security of knowing the enrolled individual is having regular daily contact with someone.

The Dunbarton Police Department has partnered with OfferUp! We have installed this sign in our parking lot at 18 Robert Rogers Road to encourage residents to use this location for **internet purchase exchanges**. A highly visible and public location for these exchanges eliminates the need to meet at a private residence and reduces the overall risk of victimization and crime.

The Project Good Morning Application Packet, which includes more information about the program, may be found [here](#). Questions about Project Good Morning may be directed to Office Administrator Linda Marcoux at dunbartonpd@gsinet.net or by calling (603) 774-5500.

The Dunbarton Police Department is a proud partner of **Project ChildSafe**, allowing us to distribute free gun locks to the community. Gun locks are available in our lobby during regular business hours or by

calling (603) 224-1232. To learn more about this initiative, please visit this [link](#).

The Dunbarton Police Department is a member of the [Concord Regional Crimeline](#). Anonymous tips about criminal activity may be submitted through the Crimeline by calling (603) 226-3100 or by visiting the website. Cash rewards are available.

We believe that a strong partnership with the community is the best deterrent to crime. If you see something, say something by contacting our dispatch center at (603) 224-1232.

02 Upcoming Community Events

Our upcoming community events include:

The Dunbarton Police Department will once again be participating in the **Drug Enforcement Administration's National Prescription Drug Takeback Day**. The event will take place on Saturday, April 27th from 10 AM – 2 PM at the Dunbarton Police Department (18 Robert Rogers Road). Residents can turn in their unused, unwanted, or expired medications, no questions asked. We are unable to accept needles or liquids. The proper disposal of medication helps reduce unauthorized access, theft, abuse and damage to the environment. Any questions about the event may be directed to Chief Chris Remillard at chrisremillard@gsinet.net or (603) 774-5500 or by visiting this [link](#).
